

Online Presentation Skills Coaching - Don't Choke on the Butterflies

Improving your Effectiveness as Presenter

Public speaking has been identified as one of the biggest fears for most people. Let us help you to deal with your fear and to get the butterflies in your stomach to fly in formation! Successful presentations are a result of speakers who focus their efforts on connecting with and engaging their audiences. We will help you to achieve this cost effectively with no expensive class room time.

Online Skills Development

Dave Neely uses a unique remote coaching process that includes an online behavioural assessment, a self-paced video training process and a series of online live coaching sessions using “ZOOM” technology. We will help you to improve a real upcoming presentation. Ultimately, the process will help you to prepare and deliver more effective public presentations for the rest of your career. It can truly be a game changer for you!

Self-Paced Video – Although technology has changed since this video was produced, the concepts are timeless. Throughout the video you will be directed to make improvements to your upcoming presentation. To view video segment <https://www.youtube.com/watch?v=tspNVxgDtDQ>

Talent Insights Assessment – This report will help you to understand your communication strengths and improvement areas. You will be able to connect more effectively with different personality styles. To view a sample: <http://neely-training.com/wp-content/uploads/2018/05/Talent-Insights-Driving-Forces-Sample.pdf>

Online Coaching – Dave will work with you online to focus your presentation on the audience’s interest and needs.

Client Testimonials

“Our engineer was perceived as a very poor presenter. After working with Dave, he is seen as one of the best presenters we have.” HR – Lafarge Cement

“Dave is a remarkable public speaking coach. His techniques and teaching skills helped me overcome obstacles that prevented me from delivering quality presentations. Dave taught me to reach out, connect and ignite energy and action in an audience.” - Sid Sousa, VP Purchasing - Samuel Son & Co. Ltd
