Subject: Dave Neely, D.K. Neely & Associates Training

Dave Neely recently delivered a two day seminar to the supervisory team at Haakon Industries Ltd. in Kingston, Ontario. We were pleasantly surprised by Dave's dedication to our progress and his engagement with the team. It is obvious that Dave is driven to see positive change in the people he works with, and this was apparent by his willingness to customize and adapt his material to our needs. It truly felt like Dave was a member of our team in the way he committed himself to our growth. We would certainly recommend Dave's services to any organization looking to improve the soft skills of their most important asset – their people.

Regards,

Alex Bobyk,  
Plant Manager, Kingston
